Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Raghunath Padiyath, Jon E. Ottman, and David A. Engler state as follows:

1. We are coinventors of the above-identified patent application.
2. We have reviewed the above-identified patent application including the claims, and the Office Action of April 5, 2006.
3. We attest that the claimed invention described in the above-identified patent application was either reduced to practice prior to September 30, 2002, or conceived of prior to September 30, 2002 coupled with due diligence from prior to September 30, 2002 to a subsequent reduction to practice or to the filing date of the above-identified application, as evidenced by the attached drawing.
4. All statements made of the coinventor's own knowledge are true and all statements made on information and belief are believed to be true. We acknowledge that willful false statements are

punishable by fine, imprisonment or both and may jeopardize the validity of the application or any patent issuing thereon.
